Vielfalt ist unser Profil

Wir bieten ein großes Repertoire an verschiedensten Profilen an. Dekorative und technische Profile. Aus Polycarbonat, PVC oder auch ABS - und vielen weiteren Materialien und Oberflächeneffekte.

DE Unser „in house“ Formenbau macht schnelles und kundenorientiertes Service möglich. Jahrzehnte lange Erfahrung bietet unseren Kunden einen echten Vorteil.

Unsere Extrusionsabteilung umfasst einen modernen Maschinenpark – inklusive Extrusionsanlagen für Plattenextrusion, der eine professionelle Produktion von Möbelkanten möglich macht.

Mehr Information und ein komplettes PDF mit allen aktuellen Standard Profilen für den download finden Sie auf www.smdesgins.com

We materialize your vision!

Diversity is our profile

EN We offer a vast variety of profiles. Decorative and Technical. From Polycarbonate to PVC, ABS and many different materials and finishing effects.

Our own „in house“ molding department makes us a fast and service-oriented partner for our clients. Decades of experience provide a solid advantage to our clients. Our profile department includes up to date extrusion technology such as sheet extrusion for a professional SMD-Edge banding production. Please download a PDF on www.smdesigns.com with all current available standard profiles.
